2. INTELLECTUAL AND INDUSTRIAL PROPERTY RIGHTS

The website including, but not limited to, its programming, editing, compilation and other elements necessary for its operation, the designs, logos, text and/or graphics, are the property of the CONTROLLER or, where applicable, this has the licence or express authorisation of the authors. All contents in the website are duly protected by the regulations on intellectual and industrial property rights, while also being registered in the corresponding public registries.

Independently from the purpose they may have, the total or partial reproduction, use, exploitation, distribution and commercialisation will, in any case, require previous written authorisation of the CONTROLLER. Any use not previously authorised will be considered a serious breach of the intellectual and industrial property rights of the author.

The designs, logos, text and/or graphics external to the CONTROLLER, which may appear on the website, belong to their respective owners, these being responsible for any possible controversy that may arise regarding same. The CONTROLLER expressly authorises third parties to redirect directly to specific contents on the website, in all cases to redirect to the main website at <http://www.felemamg.com/>.

The CONTROLLER acknowledges the corresponding intellectual and industrial property rights in favour of their holders, without implying the existence of any right or responsibility regarding these whatsoever simply for being mentioned or appearing on the website, in the same way this will not imply they are backed, sponsored or recommended by the former.

You may email felemamg@felemamg.com to make any comment regarding possible non-compliance with intellectual and industrial property rights or on any contents in the website.

3. DISCLAIMER

The CONTROLLER denies any responsibility deriving from the information published on its website whenever this information is handled or entered by a third party external to the site.

Links Policy

It is possible the website may redirect you to third party contents. Since the CONTROLLER cannot always control the contents entered by third parties on their respective websites, it denies any responsibility regarding such contents. In any case, it will immediately remove any contents which may contravene national or international legislation, good morality or public order, immediately removing the redirection to such website and making the competent authorities aware of the contents in question.

The CONTROLLER will not be responsible for information and contents stored in, including but not limited to, forums, chats, blog generators, comments, social networks or any other means allowing third parties to publish contents independently on the web page of the CONTROLLER. However, and in compliance with that stated in articles 11 and 16 of the LSSICE, it is made available to all users, authorities and security forces, actively collaborating with the removal or, where applicable, blocking of any contents which may affect or contravene national or international legislation, the rights of third parties or good morality and public order. In the case the user should consider there is any contents on the website which could be classified as such, it is requested he notifies this immediately to the website administrator.

This website has been reviewed and tested for its correct operation. In principle, its correct operation is guaranteed 365 days a year, 24 hours a day. However, the CONTROLLER does not discard the possibility there may exist certain programming errors, or the occurrence of causes of force majeure, natural catastrophes, strikes or similar circumstances making it impossible to access the web page.

IP Addresses

The website servers can automatically detect the IP address and the domain name used by the user. An IP address is a number assigned automatically to a computer when this connects to the Internet. All this information is recorded in an activity file of the duly registered server, allowing for later processing of the data in order to obtain measurements solely for statistical purposes, making it possible to know the times pages are printed, number of visits to the web servers, visiting order, access point, etc.

4. LAW APPLICABLE AND JURISDICTION

The parties expressly submit themselves to the Spanish legislation which will be applicable to resolve any controversy or issue regarding this website or the activities carried out in it, with the Courts and Tribunals closest to POL BANKUNION II being competent to resolve any conflict deriving from or related to its use.
