

## PRIVACY POLICY

### 1. USER INFORMATION

**FELEMAMG S.L.**, hereinafter the CONTROLLER, will be responsible for processing the personal data of the User and informs that such data will be processed in accordance with that provided in the personal data protection regulations in force, Regulation (EU) 2016/679 of 27th April 2016 (GDPR) on the protection of natural persons with regard to the processing of personal data and on the free movement of such data and Organic Law (ES) 15/1999 of 13th December (LOPD) on Personal Data Protection, for which reason the following processing information is provided:

**END OF PROCESSING:** Maintaining a commercial relationship with the User. The operations foreseen to perform the processing are:

- Sending commercial communications via email, fax, SMS, MMS, social communities or any other electronic or physical means, current or future, allowing for carrying out commercial communications. These communications will be performed by the CONTROLLER and relate to its products and services, or those of its partners or suppliers with which it may reach any promotion agreement. In this case, third parties will never have access to the personal data.
- Performing statistical studies.
- Processing orders, requests or any type of petition made by the user via any of the contact methods made available.
- Sending the web page newsletter.

**DATA CONSERVATION CRITERIA:** These will be stored while there is mutual interest in maintaining the processing purpose and, whenever no longer necessary for this purpose, will be eliminated using appropriate security measures to guarantee the pseudonymisation or total destruction of the data.

**DATA COMMUNICATION:** The data will not be communicated to third parties, except in the case of legal obligation.

#### Rights of Users:

- The right to consent withdrawal at any time.
- The rights to access, rectify, portability and erasure of their data, and to limit and to object to its processing.
- The right to present any claim before the control authority (agpd.es) whenever it is considered the processing does not comply with the regulations in force.

### 2. MANDATORY OR OPTIONAL NATURE OF THE INFORMATION PROVIDED BY THE USER

The Users, by checking the corresponding boxes and filling in data in the fields, marked with an asterisk (\*) in the contact form or presented in download forms, expressly and in a free and unequivocal manner accept that their data are necessary for the provider to meet their requests,

with the inclusion of data in the remaining fields being voluntary. The user guarantees the personal data provided to the CONTROLLER are true and becomes responsible for communicating any modification of these.

The CONTROLLER informs and expressly guarantees the users that their personal data will never be disclosed to third parties and that, whenever any type of personal data disclosure is performed, the Users will be previously asked for their express, informed and unequivocal consent. All the data requested via the website will be mandatory, as they are necessary to provide an optimum service to the User. In the case any data were withheld, there will be no guarantee the information and services provided will adapt completely to their needs.

### **3. SECURITY MEASURES**

In accordance with that stated in the regulations in force regarding personal data protection, the CONTROLLER complies with all the provisions of the GDPR and LOPD regulations on the processing personal data under its responsibility, manifestly fulfilling the principles described in article 5 of the GDPR and in article 4 of the LOPD, according to which the personal data are processed in a legal, faithful and transparent manner regarding the interested party, while being appropriate, pertinent and limited to all that necessary in relation to the purposes for which they are processed.

The CONTROLLER guarantees it has put in force appropriate technical and organisation policies to apply the security measures established by the GDPR and the LOPD, in order to protect the rights and freedoms of Users, and that it has provided the appropriate information for them to exercise these.
